WVC Engineering Division Cleans Up on Earth Day

WEST VALLEY CITY – On April 22, 2008 the West Valley City Engineering division visited the Sugar Plum Farms Detention Basin located at Parkway Boulevard and approximately 7000 West in West Valley City to pickup trash and debris strewn about the basin. The group met at the detention basin to enjoy a barbeque lunch before filling 28 55-gallon garbage bags.

“It was a great way for our staff members to clean up our community,” said Engineering Construction Manager Jerry Schlieff. “We had a great time and with so many people helping, we were able to get the basin cleaned up in a minimal amount of time.”
